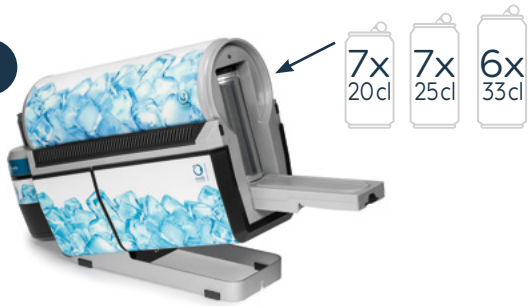
Cuula Filling: Quick & Easy

Open the flap on the back of the Cuula.



Fill the Cuula with cans. Depending on the model, use 7 x 200*/250ml cans or 6 x 330ml cans.

After about 40 minutes, enjoy your cool drink.

***Get your Slider!**
With the optional slider, every Cuula 250 can also be used for 200ml cans.
